The 8th Annual Greater San Marcos Youth Council's Children's Shelter and Conley Car Wash & Express Lube, Shelter Benefit on December 11th, 2010 from 8AM-6PM, silent auction ends at 5PM. Over the last eight years, together we've raised over \$25,000 dollars for the children in the shelter and we could not do it without the help of other businesses and individuals in Hays County.

Last year, the 16-bed shelter **cared for 122 abused or neglected children**. The primary goal of the shelter is to remain open 365 days per year, staffed with trained, caring individuals in a safe, structured and supportive environment. GSMYC staff nurture each child by assisting him/her to rebuild positive self-worth and help them recover physically and emotionally, which is imperative if he/she is to become a productive member of society.

Your help is needed to continue providing a safe haven for the forgotten children of Hays County. The good news is that there are several ways to help! Conley Car Wash is selling \$1 paper cars to benefit the shelter. In addition, silent auction items are currently on display and there is a donation bin for "wish list" items.

December 11th, 10% of every car wash and detail as well as every full service oil change is donated to the shelter. GSMYC will sell lunch and home made baked goods all day. Join us at Conley Car Wash & Express Lube for a wash, lunch and bidding on the Huge Silent Auction. The rain date for the event is December 18th, 2010.
