Dear Friends,

Are you ready, willing and able to help improve the lives of abused and neglected children? If your answer is yes, please join Conley Car Wash & Express Lube on December 11th, 2010 for our 8th annual car wash fundraiser. Over the last eight (8) years, together we've raised over \$25,000 dollars for the children in the shelter and we could not do it without the help of other businesses and individuals in Hays County. Each of the children cared for in the shelter operated by the Greater San Marcos Council will greatly benefit from your support. In fact, it can't be done without you!

Last year, the 16-bed shelter **cared for 122 abused or neglected children**. The primary goal of the shelter is to remain open 365 days per year, staffed with trained, caring individuals in a safe, structured and supportive environment. GSMYC staff nurture each child by assisting him/her to rebuild positive self-worth and help them recover physically and emotionally, which is imperative if he/she is to become a productive member of society.

We are asking for your help in providing a safe haven for children who have been physically and/or sexually abused and neglected by the very people who are supposed to love and care for them, the adults in their families. The good news is there are several ways to help! Starting **November 1st**, Conley Car Wash will start selling \$1 paper cars to benefit the shelter and November 15th display the silent auction and have a donation bin for "wish list" items.

December 11th, 10% of every car wash, express lube and detail service is donated to the shelter. GSMYC will sell hot dogs and baked goods all day. We are asking you to be a sponsor in this great event and will take your **sponsorship in any form (donation of item or gift card for the silent auction, services for the shelter, i.e. a/c service for a year, free advertisement, or monetary donations)**. **All donations are tax deductible.**

All donors will be recognized in the press releases across the county, newspaper advertisements, banners at Conley Car Wash, mass emails, posters displayed across the county and all other advertisement. Above all, the children and staff of the shelter will be grateful to you.

Thank you in advance for your donation and if you have any questions please do not hesitate to call us. In addition, if you have any ideas to increase the awareness of this event or the shelter in general, we would love to hear them. Please contact us if you would like us to pick up your donation item or it can be dropped off at Conley Car Wash & Express Lube with the donation form.
